Dear Parents:

Thank you for being so involved with your children and being such great parents! You all are sooooo awesome.

I would like to let you know about a program we have here at Eagles' Nest/ Liberty Christian Academy. It is called the PAL program, which stands for Parents Advancing Liberty. We would love and wish for all parents to become involved in this program. Your involvement can help raise money for Eagles' Nest, and allow you to become involved with voting on the board for our organization. Please let me know if you'd like a PAL packet, or pick one up in the office.

Our budget here at our center is very tight, and at times we ask and would appreciate parent volunteers and support. There are many ways of helping our center without actually spending any extra money:

1. Box Tops for Education
2. Soup Labels
3. Old Cell Phones
4. Old ink cartridges (any type will do)
5. 20 oz. plastic soda bottles (no water bottles, the plastic is too thin)

Also, if you shop online, you can sign up for School Pop through our website lcaeagles.com. School Pop then gives a percentage to our school. If you shop at Schnucks, you can sign up (at no cost to you) for the "e-community card" and earn up to 3% of what you spend for Eagles' Nest/LCA. This is not a credit card; it simply tracks your earnings.

If you have any questions, please contact Rhiannan or Jessica in the Eagle's Nest office, or visit the "Parent Page" of our website, lcaeagles.com for more information. Thank you for your support thus far, and in the coming months. Thanks so much.

Mrs. Angie - K-1
