

Dear Mr. Hunt,

You have no idea how much I appreciate your generous donation! Since you gave us your building we do not have to spend lots of money each year to rent it. We now have a place to have school! We might not have had a school because we would not have had enough money for a school. God truly blessed us through you!

Since we have had a building we have a nice gym, huge classrooms, lockers, and locker rooms. You not only gave us a building but you gave all of us a Christian education ~~to be a better person~~ since we might not have had a building for a school without you. I value the Christian education I receive from Liberty Christian Academy. I hope to grow stronger have a stronger relationship with Jesus because of my years at Liberty Christian Academy.

I pray God will bless you! ~~and~~
Thanks for your generous kindness!

Sincerely,

Erica Sansone
