Dear Ments,

I'm just writing to thank you for donating the school to us. It is such a blessing, because I remember a couple of summers ago when my school was closing and my school was wandering where to go, and it was so great when I heard about this building being donated. The year before our building closed I had gone to church on the Rock Christian School which I had gone from Kindergarten till 7th grade and it closed, then I went to Warrinton Christian School and it closed the next year. And I didn't know where I was going to go until I heard about you donating this building. I just want to say thank you for following what God had put on your heart. In the Bible it says give and it shall be given back to you, pressed down shaken together and running over. I hope you get blessed for your obedience to God and your giving heart. And also I play for the basketball team here and maybe if you like to watch basketball you could come out to one of our games, thank you and God bless!

Sincerely,
LUKE WILSON
