

Dear

Mr Hart,

I thank you so much for giving
this building to L.C.M. I am a
basketball player and love playing with
all my heart. I have to admit I was
very scared when I found out that
we might not have a school. Because
of you I can still go to school. I love
to do.

What you did here changed
so many lives, and blessed so many
people. We will never forget
what you did for us. Thank you so
much and may God bless you all of
the days of your life.

Sincerely,

Justin Miller
